BEYOND THE SOFTWARE

TECHICEE Events 13
TECHICEE Shop 16

One platform.
Every dimension of school life.

THE SCHOOL ECOSYSTEM

One Platform. The Whole School.

TECHICEE is not an ERP. It is a living, intelligent ecosystem — built from the ground up for the modern school, connecting every dimension of school life in one coherent, AI-powered environment.

ADMINISTRATION Records, structure, documents & compliance	**ACADEMICS** Curriculum, lessons, materials & assessments	**PEOPLE** Teachers, students, parents & staff
COMMUNICATION Notices, alerts, messaging & engagement	**FINANCE** Fees, payroll, budgets & expenses	**AI INTELLIGENCE** Automation, insight & intelligent tools
OPERATIONS Transport, safety, security & control	**EVENTS** Productions, experiences & memories	**COMMERCE** School store, procurement & supply

SCHOOL MANAGEMENT

Run the School. Without the Complexity.

Bring administration, people, records and everyday school operations into one connected environment.

- School Structure & Classes
- Students, Teachers & Staff
- Subjects & Departments
- Documents & Records
- Calendar & Notices
- Sections & Timetables
- Parent Communication
- Digital Attendance
- Staff Roles & Permissions

ADMISSIONS

From First Enquiry to Everyday School Life

A complete admissions journey — from the moment a family expresses interest to the day a student walks through the door.

ENQUIRE	Online & offline enquiry capture with lead tracking and source attribution
APPLY	Custom application forms, document uploads and online submission portal
ASSESS	Entrance tests, OMR scanning and merit-based evaluation tools
SELECT	Merit lists, shortlisting workflows and approval management
ADMIT	Admission completion, fee collection and new student onboarding

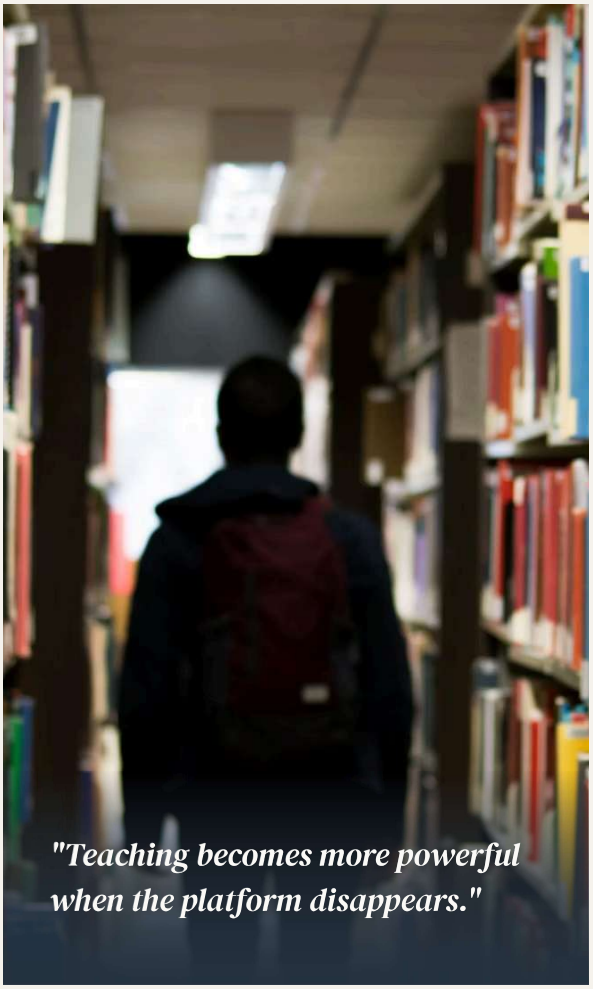

ADMISSION ANALYTICS

Track enquiry sources, conversion rates, application completion and admission outcomes — all in one live dashboard.

ACADEMICS

From Curriculum to Classroom.

Every lesson planned, every resource connected, every classroom moment accounted for.

CURRICULUM STRUCTURE

- **Curriculum & Subjects**
  Full syllabus mapping by class and section
- **Chapters & Lessons**
  Granular content organisation and sequencing
- **Learning Materials**
  E-books, notes, videos and digital resources
- **Academic Calendar**
  Planned year-round with milestones and events

CLASSROOM EXECUTION

- **Homework & Assignments**
  Set, collect and evaluate with full tracking
- **Lesson Plans**
  Daily and weekly teaching plan management
- **Teaching Plans**
  Aligned to curriculum with progress monitoring
- **Classwork Recording**
  Document daily classroom activity and coverage

EXAMINATIONS & ASSESSMENT

Turn Assessment into Insight.

Every examination delivers understanding, not just a result.

EXAM

RESULT ANALYSIS

PERCENTILE & CLASS POSITION

INSIGHT

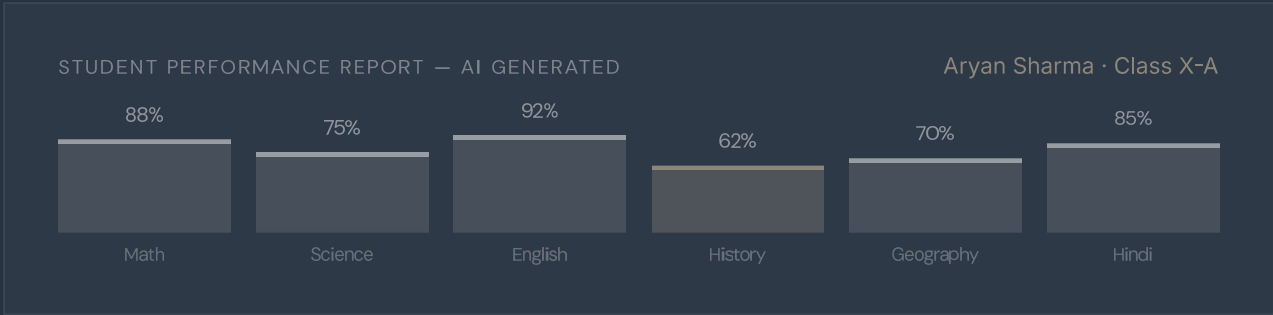

IMPROVEMENT TRACKING

EXAMINATION FEATURES

- Online & offline examinations
- OMR-based evaluation
- Comprehensive question bank
- Automatic evaluation & grading
- Marks, grades and grade scales
- Detailed result generation

PERFORMANCE INTELLIGENCE

- Student rank and class percentile
- Subject-level strength analysis
- Weak subject identification
- Class vs student comparison
- Improvement tracking over time
- Parent-visible performance reports

PEOPLE & APPS

One Platform. Every School Role.

Four purpose-built apps. One connected experience.

Teacher

TEACH. TRACK. COMMUNICATE.

- Attendance marking
- Homework & assignments
- Lesson plan management
- Exam result entry
- Student performance view
- Parent messaging
- Class timetable access

STUDENT

Learn. Perform. Progress.

- View timetable & homework
- Download notes & materials
- Check results & rankings
- Submit assignments digitally
- Track own performance
- Exam schedule access
- Fee payment history

PARENT

Stay Informed. Stay Connected.

- Live attendance alerts
- Homework notifications
- Fee payment & receipts
- Result & report cards
- Transport live tracking
- School notices & circulars
- Teacher communication
- Leave applications
- Event updates

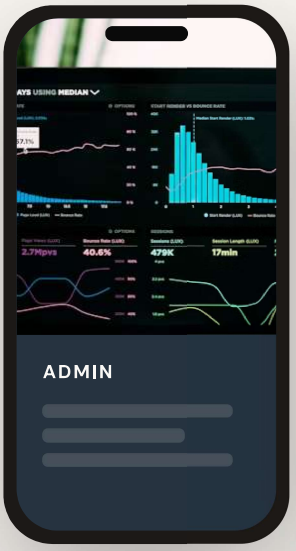

+ ADMIN APP

Full management control from anywhere

MOBILE EXPERIENCE

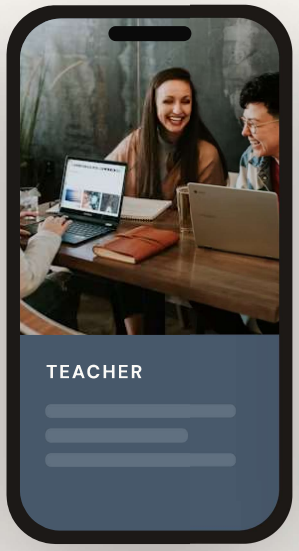

The School, in Every Hand.

Purpose-built apps for every school role — available on iOS and Android, designed for daily use, built for reliability in the most demanding school environments.

AI ACADEMIC INTELLIGENCE

AI Built Into the School Workflow.

TECHICEE AI is not an add-on. It is woven into the daily rhythm of teaching, planning, assessing and communicating — making every school role smarter, faster and more effective.

"Not AI for AI's sake — AI that saves three hours from a teacher's day."

01

AI Lesson Planner

Generate complete, structured lesson plans by chapter, class, subject and difficulty level — aligned to curriculum and Bloom's Taxonomy, ready to teach.

CHAPTER SELECTION
DIFFICULTY LEVELS
BLOOM'S TAXONOMY

02

AI Homework & Assignment Builder

Create differentiated homework and assignments in seconds — by topic, difficulty, question type and learning objective, with complete answer keys included.

QUESTION TYPES
ANSWER KEYS
DIFFICULTY CONTROL

03

AI Test & Exam Builder

Assemble examination papers from the question bank with automatic marks allocation, section formatting and printable answer sheets — in minutes.

QUESTION BANK
AUTO EVALUATION
SECTION FORMATTING

04

AI Notice Writer

Compose school notices and communications instantly — for any audience, any occasion, in the school's voice and tone. Multilingual support included.

AUDIENCE-SPECIFIC
MULTILINGUAL
SCHOOL TONE

AI PERFORMANCE & AUTOMATION

From Information to Intelligence.

AI that reads the school's data and turns it into actionable understanding — for every student, every week.

WEEKLY AI STUDENT PERFORMANCE REPORT

Priya Nair · Class IX-B

Week ending 28 Sep 2026

AI Generated · Auto-sent to parents

94% ↑	8/10 ↑	78% →	#4 ↑
ATTENDANCE	ASSIGNMENTS	TEST AVERAGE	CLASS RANK

AI RECOMMENDATION

Priya shows strong improvement in Mathematics (+12%) but needs focused attention in Chemistry — particularly Periodic Table and Bonding. Recommend additional practice sessions this week.

AI AGENT LAYER

Automated Reports

Weekly performance reports generated and delivered without any manual effort

Fee Reminders

Intelligent fee due alerts sent automatically via app and SMS to parents

Assignment Generation

AI creates and schedules assignments aligned to the active teaching plan

Timetable Generation

Conflict-free timetables generated for all classes, teachers and rooms

Academic Workflows

Lesson plans, exam schedules and term plans on fully automated timelines

API Integrations

Connect to third-party tools, payment gateways and communication platforms

SCHOOL OPERATIONS

The Operations Behind Every School.

FINANCE

A complete school finance system — from fee structures and collections to receipts, concessions and scholarships — all managed in one place.

- Flexible fee structures & categories
- Online and offline fee collection
- Digital receipts and payment history
- Scholarships and fee concessions
- Income and expense tracking
- Vendor payments and budgeting
- Cash flow and financial reporting

PAYROLL MANAGEMENT

From salary structures to monthly payslips, TECHICEE handles the full payroll cycle for all teaching and non-teaching staff.

- Staff salary structures and grades
- Allowances and deduction management
- Monthly payroll processing
- Payslip generation and distribution
- Leave and attendance-linked salary
- PF, ESI and tax compliance
- Payroll reports and audit trails

"School finance that works the way your school thinks."

TECHICEE.IN

TRANSPORT · SAFETY · SECURITY

Visibility Beyond the Classroom.

TECHICEE extends school control beyond the campus — giving administrators, parents and management real-time visibility, safety tools and complete security across every touchpoint.

Transport

LIVE TRACKING & MANAGEMENT

- Live GPS bus tracking
- Route and stop management
- Driver and vehicle records
- Pickup/drop confirmation
- Transport fee collection
- Parent live location alerts

Safety

VISITOR & EMERGENCY CONTROL

- Digital visitor management
- Visitor log and verification
- Emergency alert broadcasts
- Authorised pickup verification
- Unauthorised pickup alerts
- Instant parent notifications
- Gate access management

"Know who is in your school and who is leaving with your students."

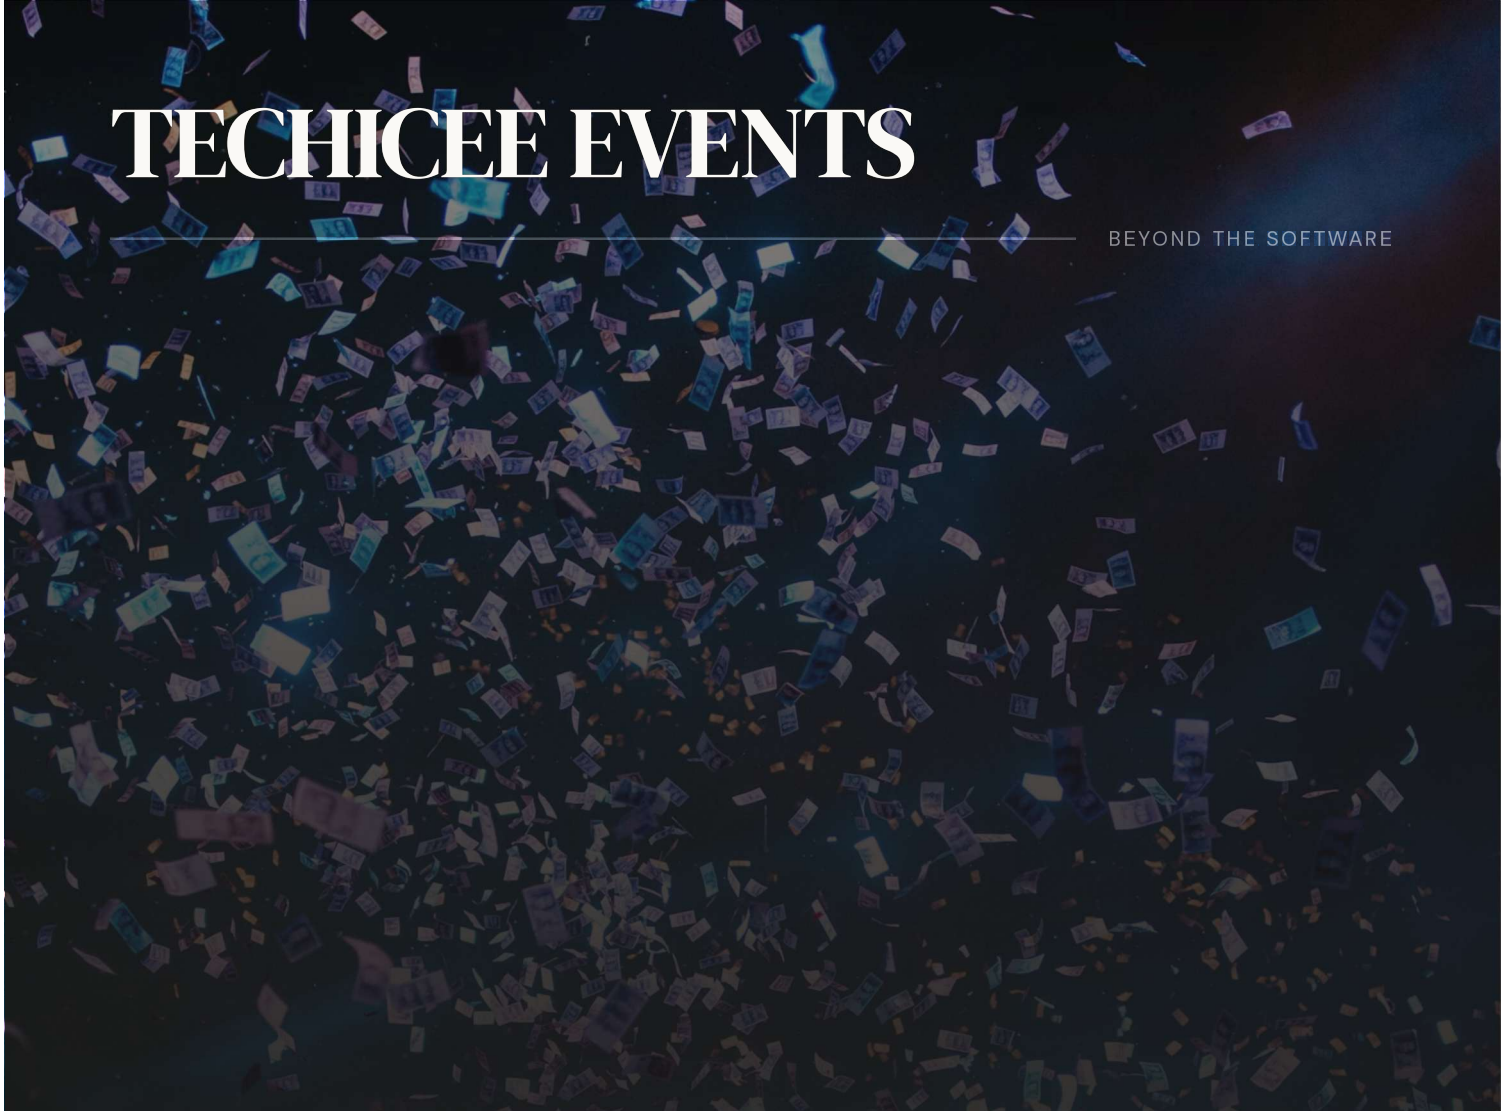

Security

ACCESS & AUDIT CONTROL

- Role-based access control
- Granular permission management
- Login history tracking
- Device and session management
- Activity logs for all users
- Full audit trail records
- Admin override controls

TECHICEE EVENTS

BEYOND THE SOFTWARE

Make the Moment Unforgettable.

From the first planning conversation to the final curtain call — TECHICEE Events designs, produces and delivers school experiences that the entire community will remember.

EVENT PLANNING

- Annual Functions
- Graduations
- Farewells
- Sports Days
- Exhibitions

PRODUCTION

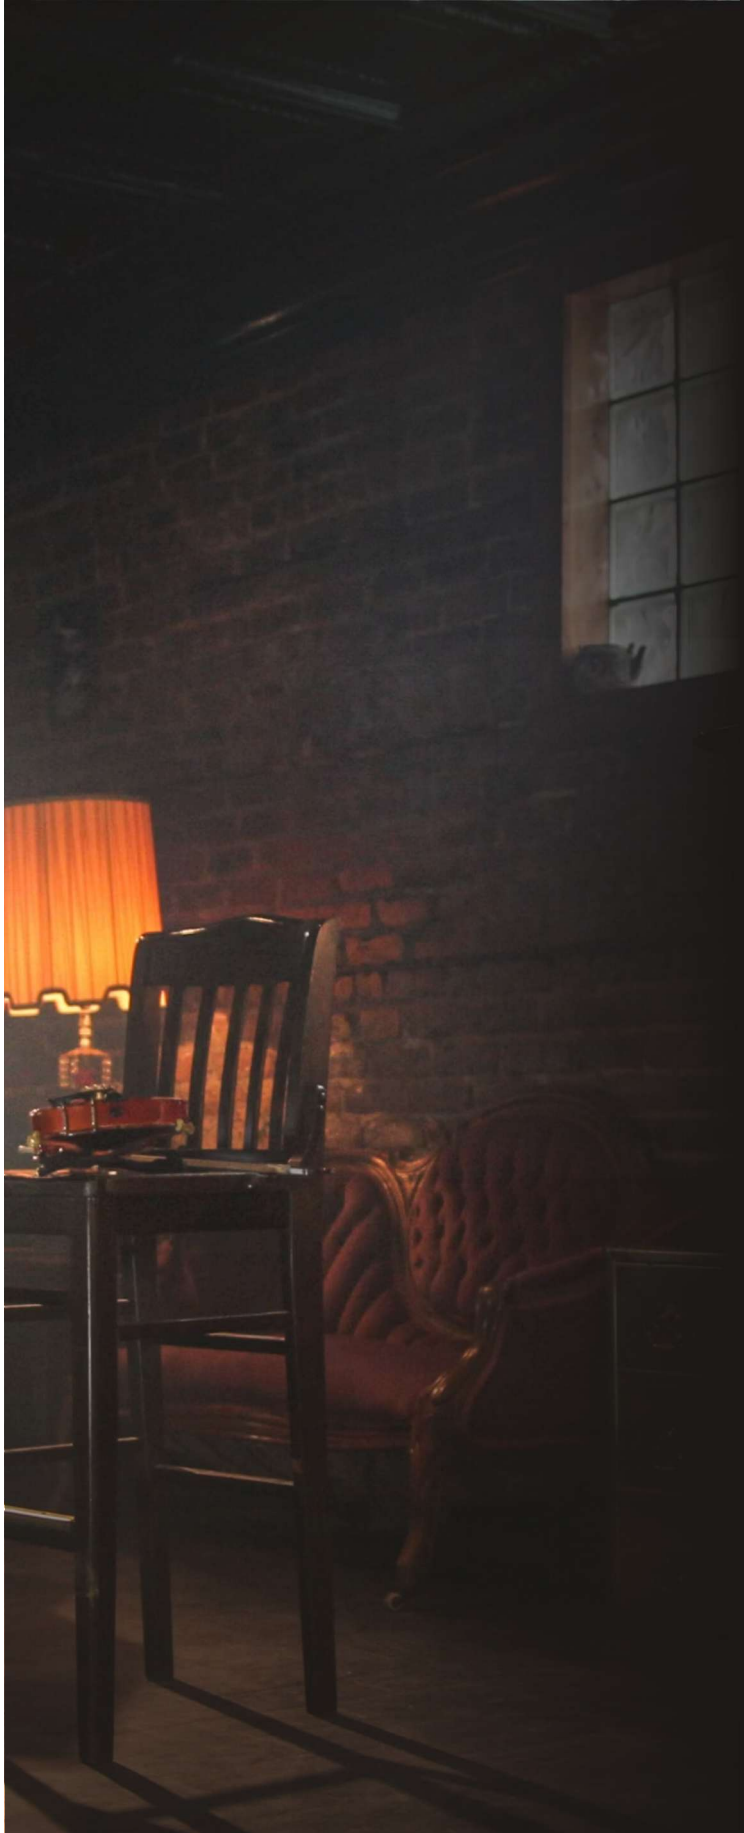

- Stage & Venue
- Lighting & Sound
- LED Screens
- Special Effects
- Decoration

PERFORMANCE

- Dance & Drama
- Music & Arts
- Anchoring
- Celebrity Bookings
- Chief Guests

COMPLETE SERVICES

- Photography
- Videography
- Catering
- Awards
- Digital Events

"The stage is not just a place to perform. It is a place to tell a story."

The Experience Behind the Spotlight.

From the first rehearsal to the final cue, every detail is designed to make the school's story come alive — professionally, memorably, beautifully.

STAGE & PRODUCTION

- LED walls and professional lighting rigs
- Spatial audio and live projection
- Live camera direction and IMAG
- Technical control and cue-by-cue flow

PERFORMANCE DIRECTION

- Dance choreography and performance coaching
- Theatre, drama and script direction
- Music arrangement and full rehearsal management

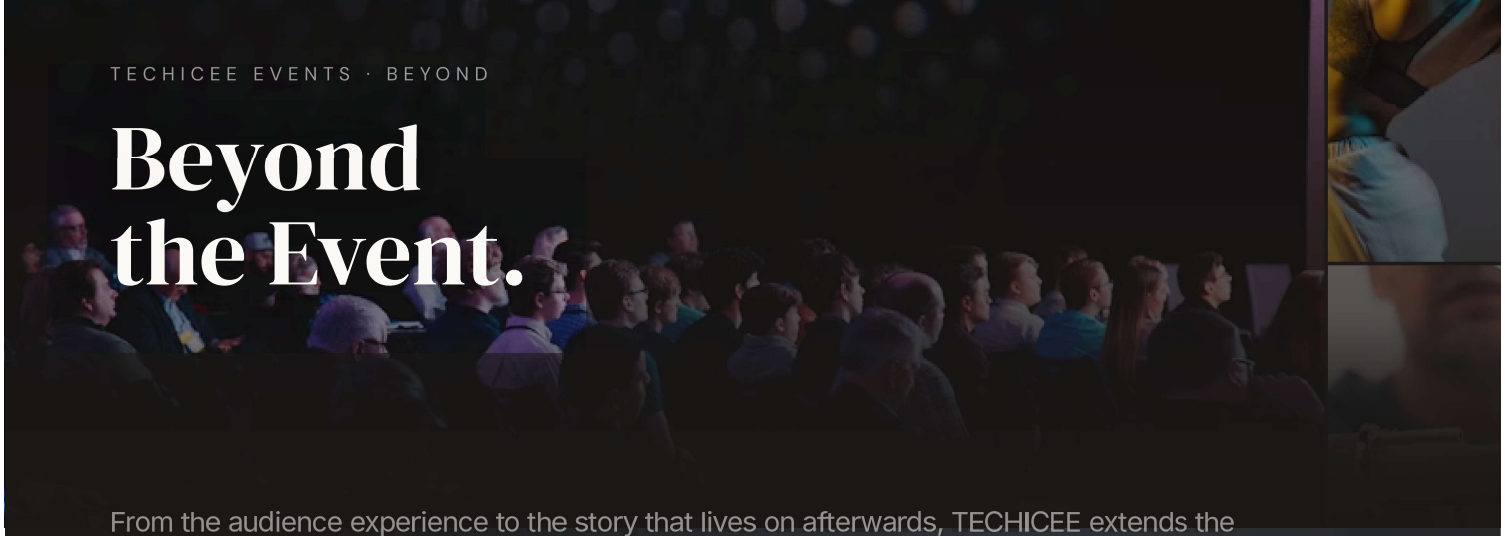

STORIES THAT MATTER

- Theme-driven event concept development
- Values and message-centred performances
- Script development with meaningful narrative

ARTISTS & ENTERTAINMENT

- Professional artists, anchors and cultural performers
- Celebrity and special guest bookings
- Speaker coordination and backstage management

Beyond the Event.

From the audience experience to the story that lives on afterwards, TECHICEE extends the event beyond the stage — before, during and long after the final curtain.

BEFORE

- Posters and countdowns
- Event teasers and trailers
- Digital invitations
- Social media campaigns
- Registration and ticketing

DURING

- Live event stories and reels
- Artist and performance clips
- Student performance coverage
- Real-time social updates
- Live event coordination

AFTER

- Cinematic aftermovies
- Highlight reels
- Photo albums and galleries
- YouTube and website content
- Marketing-ready content

MORE THAN ANNUAL FUNCTIONS

Graduations · Sports Events · Exhibitions · Carnivals · Night Camps · Festive Events · Community Events · Student Workshops

The moment becomes a memory.

techicee.in

BEYOND THE SOFTWARE

TECHICEE SHOP

E-COMMERCE

Everything a school needs. In one place.

A school procurement ecosystem — not a retail catalogue. Everything a school needs, managed through one trusted platform.

Books & Stationery

Textbooks, notebooks, art supplies
